1. Supervisor have nothing to do with small-scale research is also much more detailed than course work.
2. I personally enjoyed and benefited so much from the mentorship, expertise and step-by-step guidance from my supervisor throughout this semester.
3. My supervisor provides me a lot of support and encourages me indirectly to achieve my goals, especially pinpoint the problems while I'm working on my paper and thesis chapters. At least' he is always in his office and willing to answer any questions. That is why I am truly thankful and appreciate how much he has done for his supervisees.
